CAPITAL MURDER ARREST

On October 20, 2005, the San Antonio Police Department began investigating a Capital Murder at 451 Parland. Officers initially responded for a house fire, but after the initial investigation it was found that a murder/robbery had taken place. An adult male victim, who has not been identified pending medical examiner positive identification, was found dead in the fire. The victim's vehicle was also missing from the location and was immediately reported as stolen.

Yesterday, October 21, officers recovered the stolen vehicle on a traffic stop near Thousand Oaks @ Wurzbach Parkway. The occupants of vehicle were interviewed and released. The traffic stop led to the arrest of the below pictured suspect at a residence in the 1400 blk. of Norfleet. Upon interviewing the suspect, Homicide Detectives applied for and were granted a Capital Murder Warrant for the suspect. The suspect is now being held in Bexar County jail on \$1,000,000.00 bond.
